Honored guests were Pomona Representative Fred Wilson who is also master of West Wareham Grange; Manuel Roderick, Jr., master of Sippican Pomona; and Robert Ouellette, master of Rochester Grange.

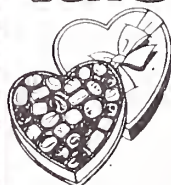

An expression of sympathy was extended to Mr. and Mrs. Edward Caine, who were past members of the Mattapoissett Grange. A letter of congratulations on the 76th anniversary was read from the Mattapoissett Selectmen.

The lecturer's program opened with all singing Happy Anniversary to Mattapoissett Grange.

Readings and a quiz by Mrs. Ruby Barber were for April, May and June. For July, August and September, William Smith presented and talked on his display of a miniature circus. For October, November and December, Mrs. Gladys Pearson read a poem and Mark Harris gave favorite nursery rhymes. All were much enjoyed. Judges for the best individual performance were Mr. and Mrs. Manuel Roderick and Robert Ouellette. Judged best were William Smith for his circus, Dennis Sylvia for his reminiscences and Mark Harris on the nursery rhymes.

Each group had a decorated birthday cake. The past masters' roll call was read by the secretary, Susan LaFleur, as the chaplain lit the candles. The worthy master lit the candle honoring all living members.

***Fairhaven Savings
announces the***

***"NOW" account. Spend what you need when you
need it and earn interest on the rest!***

WHAT IS IT—

HOW DOES IT WORK?

It's a savings account, a savings account you use like a checking account. You can spend any amount. Your savings in NOW start earning 5¼% interest from day of deposit. You can make withdrawals anytime, anywhere, with a NOW draft! If you write just a few checks a month, NOW is for you.

WHY USE IT?

NOW is better and safer than cash. More convenient. And the withdrawal drafts can be used just like checks.

Charges for NOW are minimal. The cost of a withdrawal order is just 15 cents. In addition, you get a statement of account every month, which completely details your previous month's activities. And you only pay when you use a

draft and there's no monthly service charge. A minimum \$10.00 balance is all that's required.

Letter to The Editor

In view of the fact that my letter of resignation from the Mattapoisett Police Department dated 15 January, 1973, and accepted by the Honorable Board of Selectmen on 16 January, 1973, has not been published, I wish to make the following comments:

Contrary to rumor, I have not been dismissed from the Mattapoisett Police Department due to misconduct or inability to perform my duties as a Police Officer. My action is based on my personal convictions.

In my opinion, certain basic inequities exist in the Police Department. The administration has failed to formulate any written policy to govern the conduct of employees, guidelines for the various assignments, or disciplinary action. Improper maintenance of certain emergency equipment and the inability to communicate are also factors. It is also my opinion that the Honorable Board of Selectmen are aware of some of these problems, and to my knowledge, have failed to correct the situation.

INDEPENDENT STUDY CONTRACT FOR STUDENTS AT OLD ROCHESTER

Students at Old Rochester Regional High School, regardless of level of ability or grade, may enter into an independent study contract. This contract, designed by the student and his teacher, describes the project and the responsibility of each and must receive the approval of James M. Pasquill, director of instruction, and Dr. Frank P. Gifune, Jr., principal. Credit is given by the teacher on the basis of performance.

During the first half of the school year 91 students have entered into such contracts to overcome scheduling problems, to devote additional time to research or to work in areas not covered by the regular curriculum.

Two students are currently studying off campus, one at Southeastern Massachusetts University and the other at Brown University under this program. Independent study contracts represent another step forward taken by the Old Rochester Regional School District to achieve the goal to individualize instruction.

REPORTS FROM SCHOOL DISTRICT

In an attempt to reduce the expenditures as regards printing the annual report in the member town of the District, the Old Rochester Regional District School Committee will make every effort to comply with the request presented to them by the respective member town Boards of Selectmen and shall submit for publication in the Annual Town Reports only those items prescribed by law. All other reports will be duplicated by the Superintendent's office, bound and copies of same shall be made available to the Town Clerks in the member towns and copies shall also be placed in reserve in the member Town Public Libraries.

TOBEY GETS READY FOR ANOTHER BALL

The Tobey Hospital Ball Committee announces the date of the second annual Tobey ball, sponsored by the Tobey Hospital Employees' Association and the Tobey Hospital Guild. It will be held May 19, 1973. Setting for the lovely ball will be the beautiful Massachusetts Maritime Academy. Because the demand for reservations last year was so great and the fact that many were disappointed when they had to be refused because of lack of room, the committee decided to move the ball to a more spacious location. Arrangements were made through the Maritime Academy head, Rear Admiral Lee Harrington and Senator James Burke.

BILL HUBBARD Seeks Mattapoissett Selectman's Post

William F. Hubbard has filed papers with the Town Clerk as a candidate for the office of selectman of Mattapoissett. Hubbard seeks to fill the vacancy which will be created at the expiration of the term currently held by David N. Haley on the three man Board. Haley does not plan to seek re-election at the next Town election, March 6, 1973.

Bill Hubbard and his wife Jeannette (the former Jeannette Washburn) reside with their four children on Mattapoissett Neck Road, Mattapoissett. Bill, who is a life long resident of the Town, is self employed and operates Perm Entry Installations, a pre cast concrete business. Mr. Hubbard has always been Community minded and has served on many Community boards and projects, the most recent being Chairman of the Building Inspectors Board, Chairman of the Zoning Committee, member of the Sports and Athletic Committee and a member of the Old Hammondtown School Building Addition Committee. If elected, he will resign as Building Inspector, a post he now holds.

In announcing his candidacy for the Office of Selectman, Mr. Hubbard explains he enjoys serving his Community -- a Community he has seen grow from a small town to its present population of over 5,000 and still growing. Because of his association with the Building Department, he is aware of the necessary future planning needed to accommodate the growth of the Town.

While serving on any Committee in the past, Mr. Hubbard was always available when needed, a policy he plans to maintain if elected Selectman.

'The Time of The Cuckoo'

PLAYERS PRESENT PLAY AT ORRHS

The Looking Glass Players of Old Rochester Regional High School presented "The Time of the Cuckoo" by Arthur Laurents on Saturday night. Within the limitations of a manuscript which was labeled a comedy, the cast performed excellently. The stage setting of a garden in Venice was extremely well executed.

The cast included: Catherine Langevin, as Leona Samish; Heather Gurney as Signora Fioria; Mahlon Peterson as Eddie Yeager; Diana Thomas as June Yeager; Scott Atkinson as Renato Di Rossi; Nancy Allyn as Mrs. McIlhenny; Mark Roberts as Mr. McIlhenny; Donna MacLean as Giovanna; Arthur Blackburn as Mauro; and Perry Griffith as Vito.

Nancylee S. Gaucher was the director, assisted by Sally Jones. Working backstage were: Peter Gaucher, crew chief; Sarah Walen, stage manager; C. C. Dyer, props; Janel Gaucher, a student at S.M.U., sets; Kim Barry and Richard Helfand, a

PROMOTIONAL CAMPAIGN

Governor Francis Sargent has said that a \$60,000 promotional campaign is underway to bolster New England's fishing industry.

Jointly financed by the New England Regional Commission and the Massachusetts Department of Commerce & Development, the campaign involves the use of newspapers, radio, television and printed materials in New England, New York, Pennsylvania, Maryland and Washington, D.C.

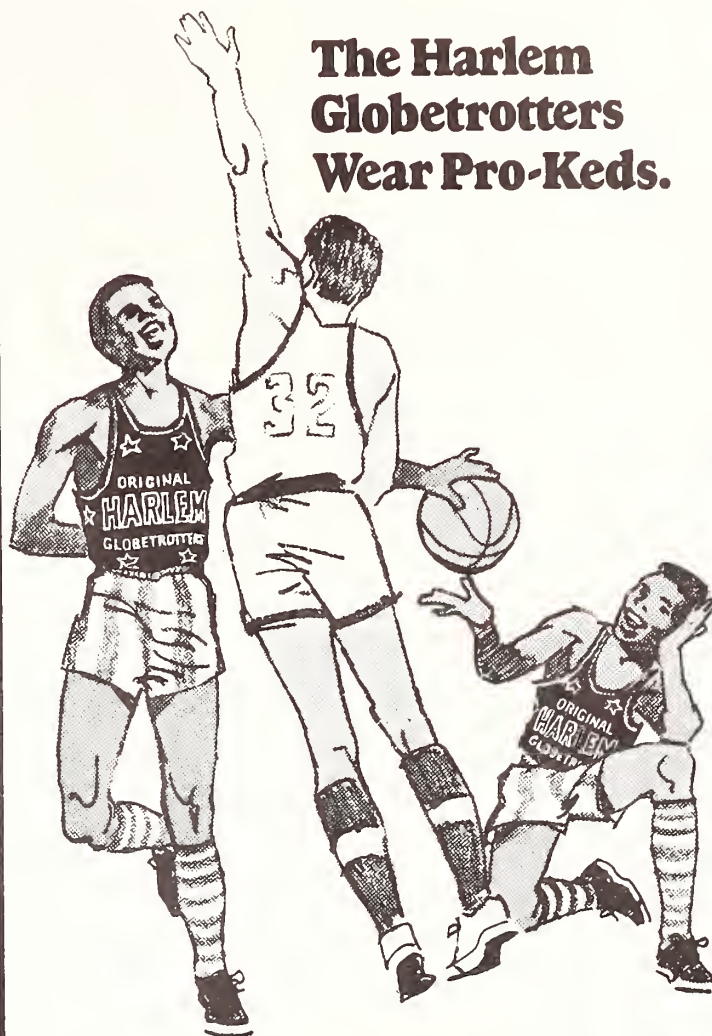

Theme of the campaign is: "New England Seafood is Good Food," and accents the high protein and low cholesterol content in seafood, in addition to its delicious flavor.

"The fishing industry is economically vital to our region," the Governor said, "so we must make every effort to help it prosper."

New England's fishing industry, one of the oldest and most important of the region's economic resources, has been suffering from foreign competition.

In 1971, fishing brought \$160,895,000 into Massachusetts and a total of \$327,000,000 to all New England states. Currently, 18,800 persons in the Commonwealth are employed in fishing jobs,

School Reorganization -

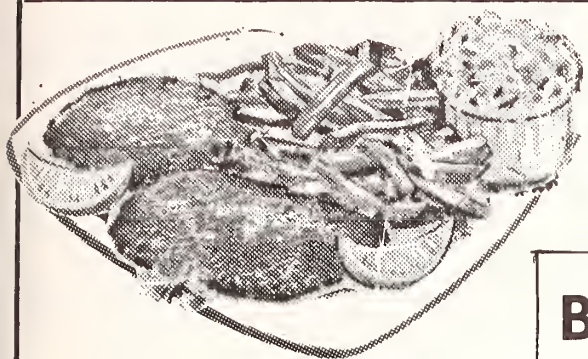

IN WHICH DIRECTION?

Open for public discussion until a decision by the Mattapoisett School Committee is reached, perhaps in April, is the issue of school and grade organization. The issue involves three basic questions: (1) Will the primary unit, Center School, continue to house grades K -3, and the intermediate unit, Old Hammondtown School, grades 4 -6? (2) Will stop-gap measures only, such as the movement of one-half of grade four back to Center School, be taken? Why this move? Overcrowding at Old Hammondtown supplies the answer. At present there are 340 students at Old Hammondtown, 90 more than the intended capacity of the present building designed to provide for 250 students. Or, (3) with regard to more than the immediate effects of moving a portion of one grade from one school to another, shouldn't a comprehensive, long-range plan including all grades be considered in light of the future growth of the town? Such a consideration, bold as it may seem on the surface, would call for the creation of two elementary schools, Center School K -6, and Old Hammondtown, K -6.

What organization plan is best for Matta-

poissett's young students? An elementary school in which the primary grades are housed in one building and the intermediate in another, or two separate elementary schools, each containing grades K - 6, one located at Center School and the other at Old Hammondtown? As citizens and parents it is important that you consider all ramifications of the proposals; learn the facts; talk or write to your school committee members, school superintendent, building principals and teachers; discuss the questions with your friends with or without children in school; and maybe express your views on the matter in the Presto. The issue is too big to pass by without informed public discussion.

Before a Chapter resorts to State DAR or National DAR, three generations of ancestry should be clearly researched. She gave the following list of places and books which are of great help: the office of Vital Statistics at the State House, the New England Historical and Genealogical Society, 101 Newbury Street, Boston; the Boston Public Library records from 1852, National Society DAR Patriot Index which is available for \$11.00 from National DAR headquarters, 1776 D Street, NW, Washington, D.C.; County Records of deeds at Plymouth, and most all local libraries who have books compiled by the WPA called "Statistics on Towns and Cities".

The Fort Phoenix Chapter is aiding several prospective members at the present time and would be happy to welcome any other women in the area whose ancestors fought in the Revolution.

TO MATTAPOISETT PARENTS

WHAT IS P.T.C.

Really, it's people to people. It's people meeting people in living rooms, at the supermarket, in the school cafeteria, on the telephone.

Why do they meet? What do they talk about? Basically, kids. Oftentimes, teachers, administrators and school committee members. Usually, issues such as discipline, programs of study, school

activities, report cards, testing. Sometimes, but not often, the talk is about educational objectives of the schools; who is responsible for formulating them; whose value judgments are followed most closely; who evaluates the success or failure of school programs. And the child, my kid, is he getting a good education or, as some would put it, is he getting good schooling? How is he measuring up?

Well, this year, if the P.T.C. has anything to say about it, people will meet people. It is our goal to sponsor a DIALOGUE IN EDUCATION among people in the community. How is this to be done?

Parents and teachers will be requested to attend only 1 of the 5 planned meetings and they will be assigned alphabetically according to the schedule below. Each parent will be notified ahead of time by school bulletin, press release and telephone call.

If your last name starts with the letter A through C, the date of meeting is January 25; D through G, March 1st; H through L, March 29th; M through R, April 26th; S through Z, May 17th.

The meetings will be held at Old Hammondtown School and will begin promptly at 7:30. We urge any interested citizen to attend, whether or not you are a parent of an elementary school child.

Many people will say "What good will all this do?" Why not risk an evening and find out. Mark your calendar now with the date you are scheduled to attend, and we will hope to see you there. Mr. William Blasdale will be the moderator for the

AYLMER ASSIGNED ADDITIONAL COMMITTEWORK IN SENATE

Senate President Kevin B. Harrington
announced recently the committee assign-
ments of the Senate membership, and has
appointed Senator John F. Aylmer (R),
Centerville, representing the Cape, Ply-
mouth and Islands District, to additional
joint committees on Beacon Hill.

Aylmer was newly assigned to the Joint
Committee on Counties, and the Joint
Committee on Social Welfare. These
memberships bring to seven the number
of committees the Cape legislator has
been assigned. Aylmer carry over com-
mittees consist of the Senate Ways and

Aylmer noted the heavy load was largely due to the low numbers of Republican members in the Senate and the need for partisan representation on each legislative committee. Although topping the list of legislators in number of assignments, Aylmer indicated the bulk of his time availability would be devoted to the important Ways and Means Committee, Committee on Social Welfare, Counties and Governmental Regulations.
